

Grid Method Multiplication (3-digit x 1-digit within 1000) S2

Name: _____

Date: _____

- Use the grid method to multiply.

$213 \times 4 = \underline{\quad\quad}$

x	200	10	3
4			

$263 \times 3 = \underline{\quad\quad}$

x	200	60	3
3			

$183 \times 5 = \underline{\quad\quad}$

x	100	80	3
5			

$267 \times 3 = \underline{\quad\quad}$

x			

$376 \times 2 = \underline{\quad\quad}$

x			

$262 \times 3 = \underline{\quad\quad}$

x			

$210 \times 4 = \underline{\quad\quad}$

x			

$133 \times 7 = \underline{\quad\quad}$

x			

$446 \times 2 = \underline{\quad\quad}$

x			

$209 \times 4 = \underline{\quad\quad}$

x			

$112 \times 8 = \underline{\quad\quad}$

x			

$459 \times 2 = \underline{\quad\quad}$

x			

$270 \times 3 = \underline{\quad\quad}$

x			

$221 \times 4 = \underline{\quad\quad}$

x			

$174 \times 5 = \underline{\quad\quad}$
