

SJSA news - November 2020

Dear parents / carers,

Before the October half term, our wonderful woodland cabin was built. Photos of our Nursery and Reception children enjoying their new facilities will soon be added to the school website. We would like to thank both 'Wood that Works' and 'ASR Builders' for carrying out the project.

Christmas update:

Following the news of a 2nd national lockdown and the uncertainty around subsequent restrictions, we have sadly made the decision to cancel our Christmas tree sales this year. We appreciate the disappointment this will cause to many, but we fully intend to be back next year, bigger and better than ever!

Whilst we are unable to hold our usual Christmas events, we wish to make the festive period as special as possible for our children. We are working alongside our school to help organise and fund several activities for all to participate in. Further detail will be communicated by Mrs Quinn.

We have already received some amazing raffle prize donations, thank you. If you can help support us further, your donations can be given directly to Mrs Steele or myself (in a sealed envelope or carrier bag) by Wednesday 25th November. Ticket sales will commence on Monday 30th November and detail of how to purchase them will be sent home with your child.

Woodland equipment:

Ms Howes is hoping to source some materials for use within our forest school. Can anyone help by donating any of the following?

- Large logs (suitable for sitting on)
- Decking boards
- Scaffold boards
- Guttering
- Tarpaulin

Becoming a committee member:

SJSA NEEDS YOU!! We are still seeking new committee members and sincerely hope you are keen to join us. Your opinions and ideas matter and we would love to have some new bodies on board, enabling us to do more for our school. New roles will be elected during the AGM in January so now would be the perfect time to join us!

Should you wish to discuss any of the above, please feel free to contact me directly via:
hovetonstjohns.pta@gmail.com

We look forward to hearing from you and thank you in advance for your ongoing support.

Kirsty and the SJSA team 😊
