TOPIC CURRICULUM PLANNING – AUTUMN

Lesson	Subject/s	Success Criteria/Assessment	Lesson	Subject/s	Success Criteria/Assessment
1	RSE / PSHE	I can work with my peers to discuss rights and responsibilities within the classroom. I know what I need to do to help create a happy and productive classroom environment.	11	RSE/PSHE	I can identify a range of feelings and emotions. I can tell when I'm feeling angry, sad, worried or anxious. I can explain some things that help me deal with these feelings. I know that all feelings are ok but some behaviours are not.
2	Art	I can use scissors accurately and safely to collage a 'Wild Thing'. I can use glue to stick one material to another. I can use descriptive phrases (terrible teeth, terrible eyes, terrible claws') in my design.	12	RE	I can create something I'm proud of. I can say why my creation is special. I can talk about how my creation makes me feel.
3	Science	I can ask a question about plants, e.g. Could a forest grow in our classroom? I can suggest how to answer it using given equipment.	13	RE / PSHE	I can work with my friends to represent the different days from the Creation Story. I can give my opinion on why we should look after things including the world.
4	Science & Computing	I can follow instructions to prepare a seed for growth. I can recall what a seed needs to grow.	14	RE / PSHE	I can sort positive/negative photos (recycling, caring for animals, graffiti, damaging the environment, litter). I can give my opinion on why we should look after our world.
5	Science & Computing	I can find plants in the wild and identify them by a picture. I can say the name of some wild plants that I see. I can collect information and use it to answer a question.	15	Science, & English	I can identify and label body parts.
6	Science & Art	I can say the name of some garden plants using a picture bank to help me. I can name some garden plants that I remember. I can look closely at a plant and sketch what I see. I can blend pastels in the right direction and apply shades of appropriate colours.	16	Science	I can perform a simple test with other children in the class involving our senses. I can observe and answer questions related to my sense of hearing.
7	Science	I can point to the stem, leaf, flower and roots. I know why roots and stems are important. I know what a plant needs to grow and can relate this to human needs.	17	Science	I can perform a range of tests and investigations involving my senses and answer questions. I can talk about the feelings I experienced when participating in the activities.
8	Science	I can make observations of a plant. I can take measurements and record them.	18	RE	I can talk about a gift that is special to me. I can explain how I felt when I received it.
9	Science & Maths	I can match leaves I have collected to pictures and use my activity sheet to say the names of the trees the leaves belong to. I can look closely at the leaves and match the description to what I see. I can sort cards into two groups. I can collect information to answer a question.	19	RE & English	I can recall the Christmas Story. I can participate in a group performance of the Christmas Story.
10	DT, Maths & PSHE	I can prepare food for a 'Wild Rumpus'. I can cut food into halves and quarters. I can recognise odd/even numbers to make a 'Wild Thing' cookie. I can make a repeating pattern with fruit.	20	RE	I can think of a suitable gift for baby Jesus.
