Weekly Newsletter 10th May 2024

Dear Parents,

Today we have seen the completion of our new play equipment on the front playground. Rest assured that whilst we are now using the field the children will all have chance to play on it during the coming summer weeks. We have advised the children it is not to be used at the end of the school day or before school. Thank you. A massive thank you to the PTA who have worked hard to raise funds to enable this installation- without their dedication and events it would not have been possible-thank you!

Can I kindly ask that no parent car parks in the staff car park. The car park is becoming dangerous and will result in the gates being closed. If you hold a blue badge and have been given permission by school to park on site that's fine however it should not be in the staff area- by using these spaces staff are unable to park onsite. No one should park on the roundabout as this is also dangerous. Please help us to ensure the site is safe for all users.

Thank you and have a lovely weekend.

Mrs Quinn
