Weekly Newsletter
13th February 2026

Dear parents

I'd like to end this half term by sharing how incredible the children are in school on a regular basis.
This week Reception have celebrated 100 days of school, and to mark this had a wonderful party with parents and grandparents attending. It was wonderful to see so much fun and enjoyment being shared.
Our Friday afternoon Forest session has been a huge success with the children attending having a super time.
Year 3 children have completed some incredible writing as have Years 5 and 6 and they have loved sharing them.
After half term please remember the gates will not open until 8.30am at the start of the day and children will go straight into school and class. The gates will close at 8.40am. Please ensure you are on site by that time so we have a smooth start to the day.
As we head into a well-deserved half-term break, don't forget that the Norwich Science Festival is running, with lots of exciting workshops available. More information can be found at: https://norwichsciencefestival.co.uk/
I'd like to finish by saying a massive thank you to the whole team who go the extra mile every day in school and id like to wish everyone of them a restful break also.

Wishing you all a lovely half term and look forward to seeing you all on the 23rd February.

Mrs Quinn
